CONDITIONS OF 1-YEAR WARRANTY

PLEASE READ CAREFULLY AND RETAIN ALONG WITH PROOF OF PURCHASE

Your Lamello biscuit joiner is warranted against defects in materials and workmanship for 1-year upon correct completion and return of the Lamello Warranty Registration Form. This form must be returned within 30 days of the date of purchase. In general, the respective applicable general terms and warranty conditions of the supplier are valid.

Lamello guarantees the delivered tool is free from faulty material and workmanship. The 1-year warranty is valid on the precondition that the tool is applied and operated in compliance with the Lamello operating instructions. Lamello or its designated agent may repair or replace, at Lamello's sole option, any defective machine, part or assembly covered under this warranty.

Claims will be acknowledged if the tool is returned to a designated Lamello agent or authorized Lamello service center as one complete unit in its original condition. The acceptance of claims under the warranty will neither give rise to further extension of the warranty period, nor begin a new warranty period.

To obtain service you must include: (a) a copy of your receipt, bill of sale or other comparable proof of purchase; (b) a written description of the problem; and (c) your address and telephone number.

The 1 year warranty does not apply to parts established by Lamello as normal wear and tear parts (including but not limited to carbon brushes, cutters, saw blades etc.). Nor does it apply to instances of overload, impact, climactic influences, misuse or application of incorrect accessories. Should the owner or any third party conduct any unauthorized repairs with or without genuine Lamello parts, the limited warranty described above shall automatically terminate without notice.

The limited warranty described above shall automatically terminate without notice upon transfer of ownership of the machine during the warranty period.

Lamello/Colonial Saw expressly disclaims any warranty of merchantability or fitness for particular use.
